

PLAN TO EXTEND ELECTRIC LINES

Utah Light & Railway Company Anxious to Get Franchise Through Valleys.

PROVO MAY BE OBJECTIVE

TRAFFIC WOULD BE HEAVY AND PROFITABLE.

That the Utah Light & Railway company is planning extensions of its lines throughout Salt Lake and Utah valleys, and as far south as Provo, is shown by the anxiety of that concern to secure an extension of its franchise from the county commissioners.

The present franchise of the company along county roads expires in 1910, and overtures to the commissioners for extending the time to 1915, when the city franchise of the company expires, were made yesterday by President Hancock. In addition, officials of the company have intimated that in time they may desire to reach Sandy, Bingham Junction and even Bingham, and that it might be well to give it a franchise over all roads leading to these places in the event these extensions should be made.

In return for the franchise the company has already agreed to double-track the Murray line and double the present service. No other compensation has been suggested and the commissioners, it is understood, are not

DIVORCE COURT GRANTS DECREES

Wife of "Red" the Messenger Proves That She Has Been Neglected.

Beatrice Evans Robinson, wife of George H. Robinson, a messenger boy, known among his friends as "Red," secured a divorce yesterday. Judge M. L. Ritchie signed the decree.

Mrs. Evans charged non-support since Sept. 17, 1907, and is now residing with her mother, Mrs. Mary Evans, at 375 West First South street. She married "Red" on May 18, 1907, and there is one child, two months old.

The wife's story is: "I went to my husband some weeks ago and pleaded with him to come and live with me again and support me. He told me then he would do better, but he did not keep his word."

Florence L. Howcroft, aged 18, also secured a divorce. She married Alma Howcroft, Aug. 12, 1906, and said that he has not supported her for over a year. He is a machinist and earns from \$2.50 to \$4 a day. She said there is one child, who will be kept by the father, as Mrs. Howcroft did not ask possession. Her maiden name of Florence Johnson was restored to her.

Robert W. Mason, who was not able to secure a divorce two weeks ago because he had not lived in the state long enough, got a decree yesterday. He married Edna A. Mason in Minneapolis, April 18, 1907, and she deserted him about June 1 of the same year.

Judge Armstrong yesterday morning granted Zura Crook a divorce from Palmer Crook. They were married Aug. 14, 1905, at Trinidad, Colo. The wife claimed that she had not been supported for the past year.

POLICE PARAGRAPHS.

Assistant City Attorney Rogers yesterday swore to a complaint against James De Vere, charging him with petit larceny. De Vere is alleged to have taken \$17 from the cash register of a pool room at 70 Commercial street.

Robert Walker received a beating Thursday evening at the hands of William Lessen. They were fined \$5 each for fighting yesterday in Judge Diehl's court.

William Bell, who was found guilty Thursday in Judge Diehl's court of stealing a pair of shoes from Julett's clothing store, was discharged yesterday, although I am now 31 years old," F. J. Hill Drug Co., The Never Substitutors.

APPLY FOR PARDONS.

Six Convicts Ask Board for Clemency.

The state board of pardons will meet today at the state prison and will consider six applications for clemency. The convicts who will present petitions are: Charles H. Culland, convicted of forgery; Albert Whitaker, convicted of assault with a deadly weapon; Chester Bouton, convicted of robbery; and Brigham Lyon, Leo Champ and Samuel Spencer, convicted of statutory crimes. Spencer's case attracted wide attention during his trial about three months ago. He asks that he be paroled.

Truth and Quality

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing. Accordingly, it is not claimed that Syrup of Figs and Elixir of Senna is the only remedy of known value, but one of many reasons why it is the best of personal and family laxatives is the fact that it cleanses, sweetens and relieves the internal organs on which it acts without any debilitating after effects and without having to increase the quantity from time to time.

It acts pleasantly and naturally and parts are known to and approved by physicians, as it is free from all objectionable substances. To get its beneficial effects always purchase the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists.

YOUNG VETERANS' OUTING.

Large Crowd Is Expected at Lagoon for Celebration.

Spanish War Veterans from all over the state will be at Lagoon today with their friends to participate in the annual outing, a prominent feature of which will be a baseball game between the Salt Lake and Ogden veterans. J. E. McGinty has promised to pitch for the Salt Lake team. The Lagoon management has prepared to handle a big crowd, and special features of entertainment, besides the contests and prizes offered by the veterans, will be arranged. The proceeds of the day will go toward defraying the expenses of the six Utah delegates to the Boston encampment in September for the purpose of bringing the 1909 national encampment to Salt Lake.

Hay Fever and Summer Colds.

Victims of hay fever will experience great benefit by taking Foley's Honey and Tar, as it stops difficult breathing immediately and heals the inflamed air passages, and even if it should fail to cure you it will give instant relief. The genuine is in a yellow package. F. J. Hill Drug Co., The Never Substitutors.

LOOK INTO OLD CASE.

Construction of Light House in Alaska Is Involved.

Clark McKetcher of the department of justice of Washington, D. C., is in the city looking into matters pertaining to a suit being brought in the federal court by the Karkin Construction company against the government in the matter of the construction of a light-house on the coast of Alaska several years ago. F. M. Brooke of Salt Lake was at the time the superintendent of construction for the government, and it is principally to take the deposition of Mr. Brooke that Mr. McKetcher is in the city.

What a New Jersey Editor Says.

M. T. Lynch, editor of the Phillipsburg, N. J., Daily Post, writes: "I have used many kinds of medicines for coughs and colds in my family, but never anything so good as Foley's Honey and Tar. I cannot say too much in praise of it." F. J. Hill Drug Co., The Never Substitutors.

A Comparison

"The difference between beer and a distilled liquor is that the former is a low stimulant with a high food value, and the latter a high stimulant with a low food value."

Thus spoke an eminent authority recently in a discussion of the merits of lager beer and the more properly called alcoholic beverages. It is the truth in a nut shell.

Fisher Beer

Is of high food value because it contains a substantial proportion of the extract of barley malt. Its stimulating property is a mere circumstance, resulting from a percentage of but about 3 1/2 of alcohol developed in the process of brewing.
